Description:

Drawing on her experience as a yoga teacher and physical therapist, author Judith Lasater presents an innovative and easy-to-follow program of exercises, asana, and breathing practices. They will help you to:• understand the meaning of abdomen and belly• learn the anatomy and kinesiology of the abdomen• develop and maintain abdominal strength• honor your gut feelingIn addition, she has created a special section called Everyday Abs, where you will experiment with moving mindfully through your activities, such as driving, cooking, sweeping the floor, and more.

This is exactly the book I was looking for to develop core strength. There is an introduction to the anatomy affected, which helps me visualize what I am stretching/exercising, and pictures with each of the poses. The writing is easily understood by a typical/average yoga student and is brief and to the point. This is for strengthening abs - nothing more and nothing less. If you want 6-pack abs of steel or anatomy 101, might want to keep looking. If you are looking to yoga to strengthen core muscles and develop endurance, this works for me.
